

MIRAGE

IS : 15298 : PART 2

CM/L- 9954209

Hillson Mirage is a mid-high ankle safety shoe with a dual-density sole for enhanced protection and great looks. The highlight of this shoe is the ortho bounce socks which have anti-fatigue properties. The EN standard toe cap is efficient enough to protect the feet from falling objects. The upper of the shoe is made from 100 % real leather in shelltac print. The sole also has antistatic properties. This shoe is suitable for Construction, Metal, and Automobile industries.
