

WeFly- WF1903

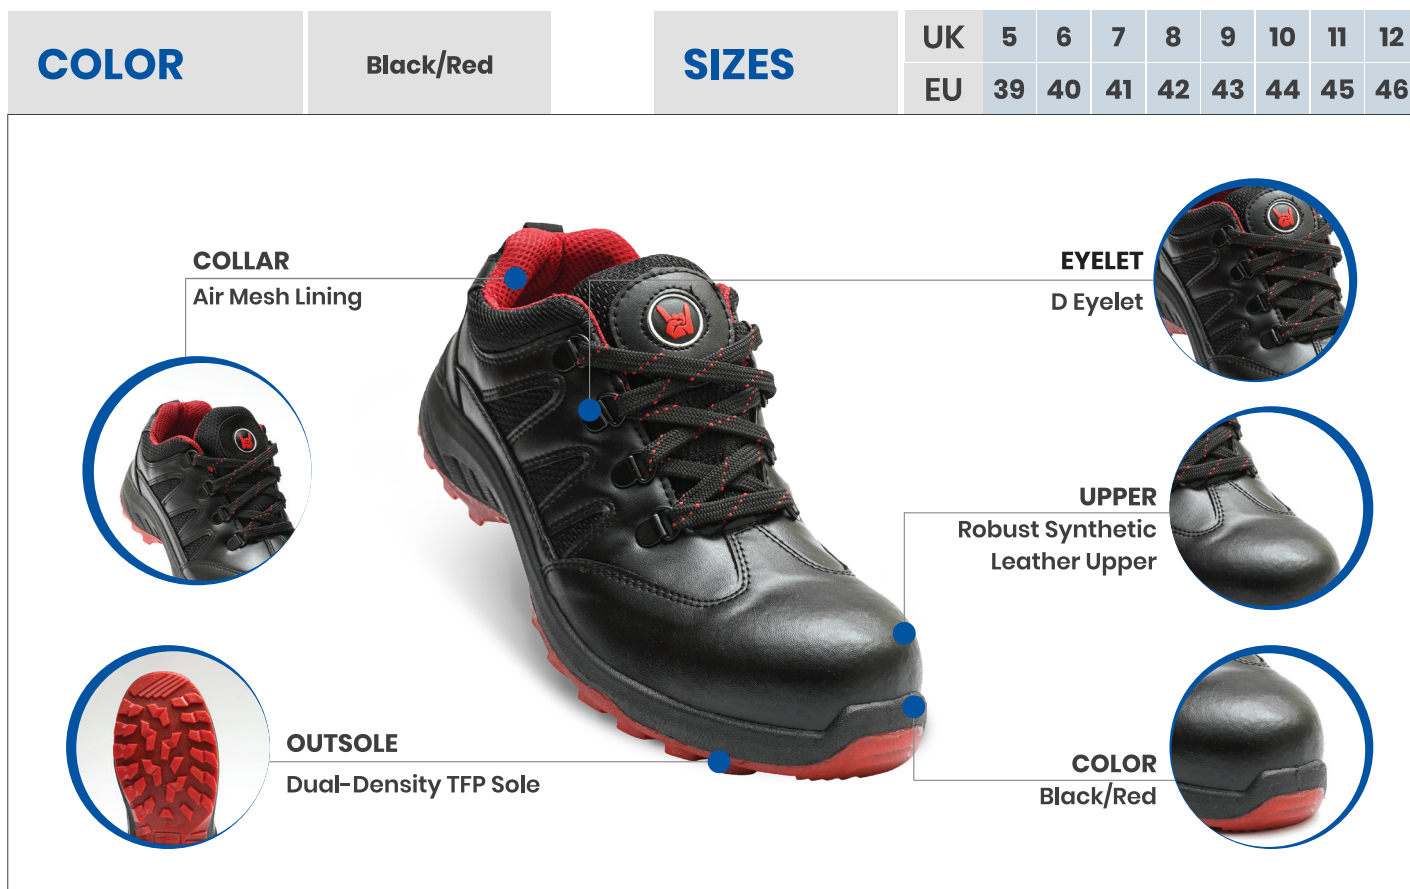

IS : 15844 : 1 : 2023

CM/L - 9512496342

Hillson WeFly 1903 boasts an eye-catching dual-tone color scheme, blending style with safety. It is a colorful footwear with a re-enforced metal toe cap that focuses on the user's safety while keeping the style in check too. This shoe has air vents for high breathability. Memory comfort Insocks are used to provide the rebound effect which gives the user a cushion-like feel. The sole of the shoe is made with TFP technology which is one of its kind and is the best in the industry.
