

DRAGON

IS : 15298 : PART 4

CM/L - 9512458118

Hillson Dragon is made up of fully moulded hard PVC, which provides a better grip. The outsole has good anti-slip, anti-abrasion, and anti-penetration properties. It also has good resistance to heat, mild acids, alkalies, and oil. The upper is made of soft rubberized and flexible PVC. The lining used is sweat-absorbent fabric, which makes it suitable for agriculture and water harvesting.
